Christ-Centered Celebrations

We hope these ornaments help make your celebration of a Christ-Centered Christmas one that your family will remember for years to come!

Here are some ideas for using the ornament downloads found on the next two pages:

- Cut them out and glue them on a piece of cardstock.
- As you learn about each figure in the nativity, hang the ornament in a place where each member of the family will be reminded of the lesson you learned.
- You can hang the ornaments from a fireplace mantle, from a garland, or on your Christmas tree.

We would love to see how you are using your Christ-Centered Christmas ornaments!! Send us a photo by email, OR, even better, post your photo on instagram with the hashtag #christcenteredchristmas.

We will be watching for photos all season long.

May this Christmas be one of your fondest!
