## Christ-Centered Celebrations

We hope these ornaments help make your celebration of a Christ-Centered Easter one that your family will remember for years to come!

Here are some ideas for using the ornament downloads found on the next two pages:

- Cut them out and glue them on a piece of cardstock.
- As you learn about each figure, hang the ornament in a place where each member of the family will be reminded of the lesson you learned. You might consider cutting down a branch to put in your house, and hanging them from there!
- You could also hang the ornaments from a garland

We would love to see how you are using your Christ-Centered Easter ornaments!! Send us a photo by email, OR, even better, post your photo on Instagram with the hashtag #christcenteredeaster.

We will be watching for photos all season long.

*May this Easter be one of your fondest!*
