IMPLEMENTING
EXTRAORDINARY
MEASURES
TO STRENGTHEN
YOUR
FOUNDATION

INKLINGS
OCTOBER
2021

In all generations of time
there have been women with Esther
courage, Deborah prophecy,
Abish conviction.

Our time is no different.

All around us there are women who
are righteous, articulate, distinct and
different. Women of strength,
conversion, conviction, leadership,
and wisdom.

You are one of those women.

God needs you. He needs your voice.
He knows you are a woman with
spiritual power to change the world.
Heroic. Able to carry on, despite difficult
circumstance.

The hope of Israel.

Here now, because He knew your
capacity for negotiating these latter days.

He sees you. Your desire to develop a
bedrock understanding of the doctrine
of Christ. How you are learning to access
the power of God.

How you call upon the powers of
heaven to protect and strengthen. He
knows your longing to become a
converted covenant-keeping woman.

He knows how the Spirit will magnify
your influence in an unprecedented way.

His prophet calls to each of us:

Rise to your full stature.
Fulfill the measure of your creation.
Prepare the world for the Second
Coming of the Lord.

Not overnight.

Every day better.

We are learning that leaning into the
inklings will help us discover the hint of
something more. Stalwart strength
gathered over time.

There is a place for you here.

When others are walking away,
we are a community who is choosing to
stay, to run the race set before us.
You will not run this last leg alone.

You belong here among the fulfillers of
prophecy. Esther, Deborah, Abish.

We are those women. This is our time.

New Normal" and OCT15 address "A Plea to My Sisters"*

I plead with you to seek—
prayerfully and consistently—
to understand temple covenants
and ordinances.

Spiritual doors will open.

You will learn how to part the veil
between heaven and earth, how to
ask for God's angels to attend you,
and how better to receive direction
from heaven.

Your diligent efforts to do so will
reinforce and strengthen your
spiritual foundation.

Dear Friend,

This semester we are going to focus on the invitation from President Russell M Nelson to understand temple covenants and ordinances.

On the following page you will find the details for what this study will look like. We are so excited to be starting another Inklings study with each of you!

We know there is a power that comes when righteous women gather to ponder God's Word. It is a power that we can expect as we join together to study the invitations extended to us in the October 2021 General Conference.

If you are new to this community, there is one thing you should know. We are all about keeping things manageable and creating a system of study that will not overwhelm you, but lift you. Our goal here at Inklings is to offer a hint of something more. Just a few small hints each week that over time will add up. You decide how to enter in and how much time you have to invest in this study. If you miss a week, no worries! Just jump back in wherever we are. ***Our goal is to lift your heart and motivate your spirit to better living one day at a time.*** Let the Spirit guide you.

There are so many good things to come.

Much Love,

The Inklings Team

It is now time that we each implement extraordinary measures—perhaps measures we have never taken before—to strengthen our personal spiritual foundations. Unprecedented times call for unprecedented measures. My dear brothers and sisters, these are the latter days. If you and I are to withstand the forthcoming perils and pressures, it is imperative that we each have a firm spiritual foundation built upon the rock of our Redeemer, Jesus Christ.

The temple lies at the center of strengthening our faith and spiritual fortitude because the Savior and His doctrine are the very heart of the temple. Everything taught in the temple, through instruction and through the Spirit, increases our understanding of Jesus Christ. His essential ordinances bind us to Him through sacred priesthood covenants. Then, as we keep our covenants, He endows us with His healing, strengthening power. And oh, how we will need His power in the days ahead.
